April 1, 2010

I am pleased to announce effective April 1, 2010, **EngineWorx Division of John H. Carter** is the Authorized Distributor of Tech Development (TDI) engine air starters and related products for the Gulf states of Alabama (South of Route 278), Louisiana, Mississippi, to Florida (west of Route 231).

EngineWorx Division of John H. Carter has operations located in New Orleans, Baton Rouge, Lafayette, Lake Charles, Monroe, Shreveport and Mobile, AL. In addition, they have a significant level of inventory of complete **TDI TurboTwin™** engine air starters as well as service related parts and accessories.

It is also important to note EngineWorx Division of John H. Carter purchases directly from TDI and has complete access to the technical and sales staff at TDI. You can be assured starters repaired or serviced by them will contain only TDI certified original parts. They will not be using any non-authorized, or non-OEM parts for your starter repairs. In addition, the sales staff has been trained and certified with the latest product offerings from TDI.

EngineWorx Division of John H. Carter also provides engineering and application assistance for new and existing starting system installations using TDI products. TDI recognizes no other company for sales, service or distribution of our TurboTwin™ products in Alabama (South of Route 278, Louisiana, Mississippi, to Florida (west of Route 231) for the Oil & Gas and marine markets.

If anyone wishes further clarification regarding this matter, please feel free to contact me at the Tech Development region office located at 1001 Lakeshore Dr. in Marble Falls, Texas or via e-mail at [DavidGain.Rhodes@ge.com](mailto:DavidGain.Rhodes@ge.com)

Sincerely,

*Dave Rhodes*
